See [Important Reminder](#) at the end of this policy for important regulatory and legal information.

Description

Risperidone (Risperdal Consta[®]) is an atypical antipsychotic.

FDA approved indication

Risperdal Consta is indicated:

- For the treatment of schizophrenia
- For the maintenance treatment of bipolar I disorder as monotherapy or as adjunctive therapy to lithium or valproate

Policy/Criteria

Provider must submit documentation (including office chart notes and lab results) supporting that member has met all approval criteria

I. Initial Approval Criteria

A. Schizophrenia or Bipolar Disorder (must meet all):

1. Diagnosis of schizophrenia or bipolar disorder;
2. Prescribed by a mental health provider;
3. Patient has received a prior oral dose of risperidone (to establish tolerability);
4. Failure of oral therapy confirmed by irregular claims records and/or office notes that document the erratic, non-adherent use of a formulary atypical antipsychotic agent. If claim history demonstrates drug adherence, prescriber must provide clinical rationale for the use of the injectable product in lieu of apparent adherent use to oral therapy (e.g. member spits out tablets, has prescription filled but does not use medication, etc.);
5. No history of dementia-related psychosis;
6. Dose does not exceed 50 mg every 2 weeks.

Approval duration: 3 months

B. Other diagnoses/indications

1. Refer to HIM.PHAR.21 if diagnosis is NOT specifically listed under section III (Diagnoses/Indications for which coverage is NOT authorized).

II. Continued Therapy

A. Schizophrenia or Bipolar Disorder (must meet all):

1. Currently receiving medication via Centene benefit, or documentation supports that member is currently receiving Risperdal Consta for schizophrenia or bipolar disorder and has received this medication for at least 30 days;
2. Documentation of positive response to therapy;

CLINICAL POLICY

Risperidone

3. If request is for a dose increase, new dose does not exceed 50 mg every 2 weeks.
Approval duration: 12 months

B. Other diagnoses/indications (must meet 1 or 2):

1. Currently receiving medication via health plan benefit and documentation supports positive response to therapy.
Approval duration: Duration of request or 12 months (whichever is less); or
2. Refer to HIM.PA.21 if diagnosis is NOT specifically listed under section III (Diagnoses/Indications for which coverage is NOT authorized)

III. Diagnoses/Indications for which coverage is NOT authorized:

- A.** Non-FDA approved indications, which are not addressed in this policy, unless there is sufficient documentation of efficacy and safety according to the off label use policy – HIM.PHAR.21 or evidence of coverage documents

IV. Appendices/General Information

Appendix A: Abbreviation Key

FDA: Food and Drug Administration

Reviews, Revisions, and Approvals	Date	P&T Approval Date
Changed guideline to new format. Changed the title of the document from Long Acting Injectable Atypical Antipsychotics to Risperdal Consta	08/16	08/16
Converted to new template. Initial: added requirement for diagnosis; removed age restriction since not an absolute contraindication or carried within boxed warning per PI; added requirement that member does not have history of dementia-related psychosis per boxed warning; added max dose. Re-auth: modified to allow continuity of care; added max dose. Updated reference.	04/17	08/17

Important Reminder

This clinical policy has been developed by appropriately experienced and licensed health care professionals based on a review and consideration of currently available generally accepted standards of medical practice; peer-reviewed medical literature; government agency/program

CLINICAL POLICY

Risperidone

approval status; evidence-based guidelines and positions of leading national health professional organizations; views of physicians practicing in relevant clinical areas affected by this clinical policy; and other available clinical information. The Health Plan makes no representations and accepts no liability with respect to the content of any external information used or relied upon in developing this clinical policy. This clinical policy is consistent with standards of medical practice current at the time that this clinical policy was approved. “Health Plan” means a health plan that has adopted this clinical policy and that is operated or administered, in whole or in part, by Centene Management Company, LLC, or any of such health plan’s affiliates, as applicable.

The purpose of this clinical policy is to provide a guide to medical necessity, which is a component of the guidelines used to assist in making coverage decisions and administering benefits. It does not constitute a contract or guarantee regarding payment or results. Coverage decisions and the administration of benefits are subject to all terms, conditions, exclusions and limitations of the coverage documents (e.g., evidence of coverage, certificate of coverage, policy, contract of insurance, etc.), as well as to state and federal requirements and applicable Health Plan-level administrative policies and procedures.

This clinical policy is effective as of the date determined by the Health Plan. The date of posting may not be the effective date of this clinical policy. This clinical policy may be subject to applicable legal and regulatory requirements relating to provider notification. If there is a discrepancy between the effective date of this clinical policy and any applicable legal or regulatory requirement, the requirements of law and regulation shall govern. The Health Plan retains the right to change, amend or withdraw this clinical policy, and additional clinical policies may be developed and adopted as needed, at any time.

This clinical policy does not constitute medical advice, medical treatment or medical care. It is not intended to dictate to providers how to practice medicine. Providers are expected to exercise professional medical judgment in providing the most appropriate care, and are solely responsible for the medical advice and treatment of members. This clinical policy is not intended to recommend treatment for members. Members should consult with their treating physician in connection with diagnosis and treatment decisions.

Providers referred to in this clinical policy are independent contractors who exercise independent judgment and over whom the Health Plan has no control or right of control. Providers are not agents or employees of the Health Plan.

This clinical policy is the property of the Health Plan. Unauthorized copying, use, and distribution of this clinical policy or any information contained herein are strictly prohibited. Providers, members and their representatives are bound to the terms and conditions expressed herein through the terms of their contracts. Where no such contract exists, providers, members and their representatives agree to be bound by such terms and conditions by providing services to members and/or submitting claims for payment for such services.

Note: For Medicaid members, when state Medicaid coverage provisions conflict with the coverage provisions in this clinical policy, state Medicaid coverage provisions take precedence.

CLINICAL POLICY

Risperidone
